Specifications

Bi-Fold door Configurations

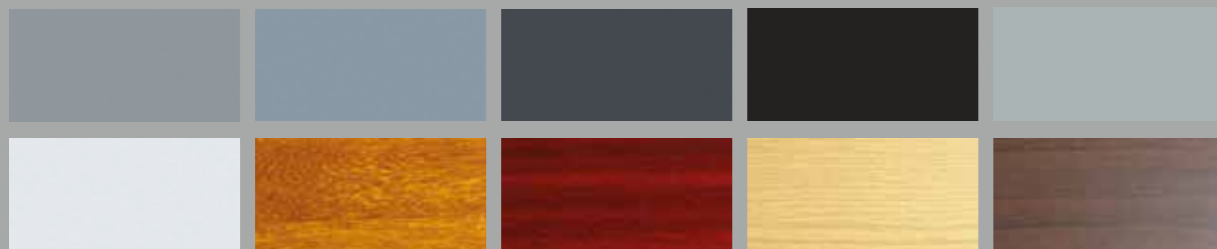

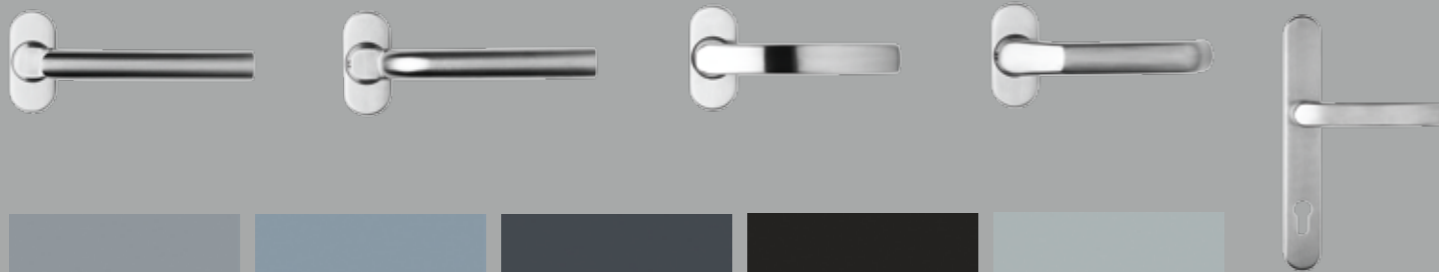

Rococo supply and install bi-folding doors which are available in a vast range of configurations. Choose from a single door upwards to create an arrangement that meets your exact requirements.

Handles, Gaskets & Colours

See how you can transform your doors into the style and design you desire.

No mere afterthought, our handles are afforded the same attention as any other component. Whether you opt for premium stainless steel or a colour co-ordinated alternative, you can rest assured our products are contemporary and faultless.

The Rococo difference...

Providing inspirational home improvements to our region for nearly 20 years

Established for nearly 20 years we are completely committed to providing the very best customer service. We are always available to meet you at your home or at our showroom to discuss your home improvement ideas and to liaise with your architect and builder.

Whole of market capabilities

Rococo have called upon their considerable experience to both source and provide the very best products on the market. Unlike some Companies, we are not restricted in what we use; instead offering products we believe possess the greatest quality and value.

Selected to supply and install top quality products

Rococo have passed an accreditation process that enables us to install our chosen products. Our selection of top quality items comes hand-in-hand with excellent customer support and highly skilled installation teams.

Transparent project management

Rococo provide your project with a dedicated project surveyor / manager. They will be with you throughout the survey process as well as overseeing the ordering and installation of products. A sole point of contact throughout the project, their presence underlines our total commitment to great customer service.

18 Years successful trading history

Rococo (re-brand) is Romsey Conservatory Company Ltd who have successfully traded under the same ownership for 18 years. With both directors favouring a hands on approach, their knowledge and expertise is unrivalled. Such longevity inspires confidence, customers can be secure in the knowledge they will be looked after both now and in the future.

Come and see it for yourselves

Rococo have a beautiful showroom and an open door policy. Come and view products for yourself, discuss your project with our great designers. Open 6 days a week we really are here for our customer every step of the way.
